

ACTIVATION IS EASY

JUST FILL THE PRODUCT WITH (TAP) WATER

DISTRIBUTE THE WATER EVENLY AND SQUEEZE OUT ANY EXCESS WATER

ENJOY IMMEDIATE COOLING

The INUTEQ-DRY® evaporative cooling cap is a lightweight and easy to activate product that will cool your head comfortably. Whatever your activity- work, sports or leisure time on the beach this cap helps you to avoid heat stress.

The INUTEQ-DRY® evaporative cooling cap can be (re-) activated with tap water (100 ml. maximum). Cooling will start immediately. The cooling effect is based on the evaporation of the water in the cap. This product performs best in low to medium humidity environments. The level of airflow determines the cooling effect.

- Incorporates a unique cooling technology
- Stays 100% dry in- and outside
- Machine washable and has Ultra-Fresh Antibacterial treatment
- Easy to use and re-use
- Lightweight, non-toxic and durable
- Provides up to 15 °C cooling relief below ambient temperature
